

BusNSW Membership

BusNSW is an Association of Bus and Coach Operators.

The majority of Buses and Coaches operating in NSW are managed by members of BusNSW. BusNSW members perform better on audits and efficiency. This means a better bottom line for their business.

BusNSW negotiates contract rates, employment conditions, accreditation and other standards/regulations. BusNSW keeps members up to date on what they need to know and how to do it. Members also attend regular branch meetings.

Further information on the benefits of BusNSW Membership is outlined in the BusNSW Application for Membership.
